

Appl. No. 09/980,706
Response dated August 29, 2003
Reply to Office action of August 4, 2003

REMARKS/ARGUMENTS

Applicant provisionally elects Group I, the claims readable thereon as being claims 1-9 and 19-20, which are drawn to a method of isolated nucleic acid comprising SEQ ID NO: 1 or a diagnostic fragment thereof. This is without prejudice to Applicant filing a divisional application to the Group II invention.

In view of the foregoing comments and amendments, we respectfully submit that the application is in order for allowance and early indication of that effect is respectfully requested. Should the Examiner deem it beneficial to discuss the application in greater detail, she is kindly requested to contact the undersigned by telephone at (416) 957-1682 at her convenience.

Respectfully submitted,
